REQUEST FOR A CERTIFICATE OF CORRECTION

Attention: Certificate of Correction Branch
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Pursuant to 37 CFR §1.323, Applicants request a Certificate of Correction to be issued for the above-identified U.S. Patent, correcting the patent as noted in the attached "Certificate of Correction" form PTO/SB/44 (04-04). Issuance of a Certificate of Correction is necessary in order to correct errors made by the Applicants.

Specifically, the error that needs to be corrected is that Figures 11A-11C currently in the issued patent need to be replaced with the attached Figures 11A-11C.

Patent No.: 6,879,988
Attorney Docket No. 15894US03

Prior to issuance, Figures 10 and 11 were objected to because all views were not labeled separately and properly. Corrected drawings were timely submitted and accepted. However, it came to our attention that due to a draftsman's error, Figures 10A-10C, which replaced Figure 10, were duplicated and also submitted as Figures 11A-11C, which replaced Figure 11.

Thus, Figures 11A-11C currently in the issued patent need to be replaced with the attached Figures 11A-11C. A copy of Figure 11 as originally submitted is also enclosed. No new matter is included in the attached Figures 11A-11C.

Applicants, therefore, respectfully request a Certificate of Correction to be issued to correct Figures 11A-11C.

The Commissioner is authorized to charge any necessary fees or credit any overpayment to the Deposit Account of McAndrews, Held & Malloy, Account No. 13-0017.

Respectfully submitted,

Date: October, 27, 2005

James H. Williams
Registration No. 56,883
